

## Leased Line Terms and Conditions

1. These Conditions of Use apply to the Power Internet Leased Line, irrespective of the country of issue. They may be revised at any time and without notice at the sole discretion of Power Internet. The use of a Leased Line is taken to be your agreement to adhere to the current Conditions of Use at any given time.

We are not responsible for any use you make of Power Internet's services, for any charges that you incur with any third party, nor for any software running on your host, except as documented within a separate written agreement or AUP. You indemnify Power Internet against the effects of any misuse or any claims resulting from that misuse.

  - c) any person permitted in the appropriate AUP
  - d) where specifically agreed with us in writing.
12. Where you use our service to reach networks and services not operated by us, you will abide by the AUPs, Terms and Conditions imposed by the operators of those networks and services.
